- A. The Provision of Services to Persons with Disabilities
- B. The Use of Assistive Devices
- C. The Use of Guide Dogs, Service Animals and Service Dogs
- D. The Use of Support Persons
- E. Notice of Service Disruptions
- F. Customer Feedback
- G. Training
- H. Notice of Availability and Format of Required Documents

A. The Provision of Services to Persons with Disabilities

CLC/B will make every reasonable effort to ensure that its policies, practices and procedures are consistent with the principles of dignity, independence, integration and equal opportunity by:

- ensuring that all customers receive the same value and quality;
- allowing customers with disabilities to do things in their own ways, at their own pace when accessing services as long as this does not present a safety risk;
- using alternative methods when possible to ensure that customers with disabilities have access to the same services, in the same place and in a similar manner;
- taking into account individual needs when providing services; and
- communicating in a manner that takes into account the customer's disability.

B. Assistive Devices

Customer's own assistive device(s):

Persons with disabilities may use their own assistive devices as required when accessing services provided by CLC/B.

In cases where the assistive device presents a safety concern or where accessibility might be an issue, other reasonable measures will be used to ensure the access of services.

C. Guide Dogs, Service Animals and Service Dogs

A customer with a disability that is accompanied by guide dog, service animal or service dog will be allowed access to premises that are open to the public unless otherwise excluded by law. “No pet” policies do not apply to guide dogs, service animals and/or service dogs.

Applicable Laws:

Dog Owners' Liability Act, Ontario: If there is a conflict between a provision of this Act or of a regulation under this or any other Act relating to banned breeds (such as pitbulls) and a provision of a by-law passed by a municipality relating to these breeds, the provision that is more restrictive in relation to controls or bans on these breeds prevails.

Recognizing a Guide Dog, Service Dog and/or Service Animal:

If it is not readily apparent that the animal is being used by the customer for reasons relating to his or her disability, CLC/B may request verification from the customer. Verification may include:

- a letter from a physician or nurse confirming that the person requires the animal for reasons related to the disability;
- a valid identification card signed by the Attorney General of Canada; or,
- a certificate of training from a recognized guide dog or service animal training school.

Care and Control of the Animal:

The customer that is accompanied by a guide dog, service dog and/or service animal is responsible for maintaining care and control of the animal at all time.

Allergies:

If a health and safety concern presents itself for example in the form of a severe allergy to the animal, CLC/B will make all reasonable efforts to meet the needs of all individuals.

D. Support Persons

If a customer with a disability is accompanied by a support person, CLC/B will ensure that both persons are allowed to enter the premises together and that the customer is not prevented from having access to the support person.

There may be times where seating and availability prevent the customer and support person from sitting beside each other. In these situations CLC/B will make every reasonable attempt to resolve the issue.

In the event of any temporary disruptions to facilities or services that customer's with disabilities rely on to access or use CLC/B's services, reasonable efforts will be made to provide advance notice. In some circumstances such as in the situation of unplanned temporary disruptions, advance notice may not be possible.
